WOOD & MARBLE

ALUMINIUM COMPOSITE PANEL

012
An ISO 9001: 2015
Certified Company

ALSTRONG™
always looks new

ALSTRONG™

Alstrong is the **largest manufacturer** of Aluminium Composite Panels in India. Established in the year 2001, Alstrong is the first company to manufacture Aluminium Composite Panels in India. The Company has plant in Jammu having annual capacity of 65mn sqft, one of the largest in the World. It has Modern Equipment and comprehensive Testing Facility suitable for the Industry.

The company is ISO certified and is accredited as a Green Project by State Pollution Control Board of Jammu & Kashmir. Over **18 years**, it has made its mark as a pioneer and has retained its position as a leading player in the market with ACP product, quality and immense customer satisfaction.

Alstrong has recently started the **second manufacturing facility in Dubai** to meet the growing demand of Middle East & North Africa regions. In addition to a robust distribution network of **600 dealers & 20 warehouses across India**. Alstrong is also present in UAE (Dubai, Abu Dhabi, Al Ain, RAK, and Fujairah), Bahrain, Saudi Arabia, Kuwait, Oman, Qatar, Egypt, Chad, Morocco, Algeria and Sudan.

Leading the way. Alstrong products are helping create the vibrant new face of the Indian millennium. We have partnered with leading architects, builders, contractors and fabricators in changing the landscape of the country for the better. Alstrong is driven by its vision of creating rich visual palette through its range of architectural décor material- Aluminium Composite Panels, Metal Laminates, Partition Panels and HPL in FR A2, B1 & B2 as well as normal grades.

We believe that our brief is to create products that help unlock distinctive, long lasting and edgy creativity. Reason, why our products are designed for years of durable, maintenance-free, performance across a variety of demanding environments and help create a visual aesthetic that **"always looks new"**. A promise vividly fulfilled across signature landmarks that proudly stand the test of time, and come out with flying colours.

Delivery on time is our unswerving motto. Alstrong products reach you amazingly fast, backed by strong network of warehouses, dealers & efficient logistics management across the length and breadth of the country.

Tested and Certified by

Exova Warringtonfire Certification Ltd
UK | CANADA | GERMANY

We use leading-edge Korean and Japanese technology to create products that are at par with the best in the world. Our 10 year product warranty is yet another reflection of this quality confidence. Our specially designed, state-of-the-art FR grade ACPs are built to resist fire. Another example of our commitment to innovative products that address specific requirements.

Our strong emphasis on R & D and intrinsic quality control at every step ensure innovative products that are engineered to uphold our motto of always looks new.

Underscoring this perpetually strong saga of product quality, choice and performance are our state-of-the-art manufacturing plants and a laboratory equipped with modern analytical machines like DSC, AAS, FTIR that keep an eagle eye on uncompromising quality standards. Best practices are a norm at our ISO 9001 : 2015 & India Green Building Council certified plant. Seamless production efficiency and delivery timelines are ensured through our integrated SAP system.

Coil coating Integration. To Respond Faster Having our own coil coating unit helps us control every aspect of the production process; and respond to needs of architects, builders & designers fast.

Alström can turnaround with custom created panel within 10 days of brief. Radically shortening a process that takes others anywhere from 3-4 months. Once approved, we can start production immediately for the quantity that required for the project. The design remains available for any future projects, in the specification and quantity that may be needed.

Fire Retardant Grade Panels (FR – A2, B1 & B2, Hollow Core) as per German Standard DIN 4102-1 are also available.

Kindly ask for technical brochure for more information.

*Color may vary batch to batch
