Aluminium Composite Panels

**ALSTRONG™**

*always looks new*

Alstrong is a part of the prestigious Worlds Window Group, an assemblage of progressive companies engaged in diverse businesses. The portfolio of business activities includes manufacturing, infrastructure, logistics, trading and mining. The operations of various companies of WWG are spread across the globe through its offices in India and 22 other countries. The group employs 2500 employees across the world and has a turnover of ₹ 6000 crores (US \$ 1 Billion).

**Leading the way.** Alstrong products are helping create the vibrant new face of the Indian millennium. Leading the way since 2001, we have partnered with leading architects, builders, designers, contractors and fabricators in changing the landscape of the country for the better.

Alstrong is driven by its vision of creating a rich visual palette through its range of architectural décor material - Aluminium Composite Panels, Metal Laminates and Partition Panels.

We believe that our brief is to create products that help unlock distinctive, long-lasting and edgy creativity. Reason why, our products are designed for years of durable, maintenance-free, performance across a variety of demanding environments and help create a visual aesthetic that '*always looks new*'. A promise vividly fulfilled across signature landmarks that proudly stand the test of time, and come out with flying colors.

**We have gone great lengths to be close by**, anywhere across the country. Our 20 Company Offices, 18 Warehouses, more than 300-strong, pan-India network of Sales Persons and more than 500 Distributors & Dealers ensure that we are just a call away, wherever be your project location.

Delivery on time is our unswerving motto. Alstrong Products reach you amazingly fast, backed by the efficiencies of our Group-owned logistics company, which has more than 500 company-owned trucks crisscrossing the length & breadth of the country.

**Alstrong is the leader in the ACP Industry.** The ever-growing confidence of our clients is reflected in the increased production and off take of our products. Today, ACP production is 50 million sq. ft. per year through our 5 ACP lines up from 1,00,000 sq. ft. in 2001.

# coral

**Sound Fundamentals. Outstanding Quality** Anticipating the curve of demand and staying one step ahead of expectations is what drives us on a daily basis at Alstrong.

We use **leading-edge Korean and Japanese technology** to create products that are at par with the best in the world. Our specially designed, state-of-the-art FR grade ACPs are built to resist fire. Another example of our commitment to innovative products that address specific requirements.

Our strong emphasis on R & D and intrinsic quality control at every step ensure innovative products that are engineered to uphold our motto of *always looks new*.

Underscoring this perpetually strong saga of product quality, choice and performance are our state-of-the-art manufacturing plants and a laboratory equipped with modern analytical machines like DSC, AAS, FTIR that keep an eagle eye on uncompromising quality standards. Best practices are a norm at our ISO 9001: 2008 & Indian Green Building Council certified plant. Seamless production efficiency and delivery timelines are ensured through our integrated SAP system.

**Coil Coating Integration. To Respond Faster** Having our own coil coating unit helps us control every aspect of the production process; and respond to the needs of architects, builders & designers...fast.

Alstrong can turnaround with **custom created panel** within 10 days of brief. Radically shortening a process that takes others anywhere from 3-4 months. Once approved, we can start production immediately for the quantity that's required for the project. The design remains available for any future projects, in the specification and quantity that may be needed.
